2011 Youth Equestrian Overnight Camp!

Get your horse-loving kids ready to spend time with horses and friends!
Ages 8* and up

**Younger ages allowed with parent attendance at camp*

Date: June 17 to Jun 19

Time: Friday 9am to Sunday 5pm

Our English riding based educational program will include one to two hours of riding each day. Campers will be responsible to care for either a well-schooled lesson horse or their own appropriately trained horse from home. Educational topics will include feed and nutrition, types of tack and tack care, daily horse management, stall management, basic health and preventive care, and much more! Riding lessons will involve basic skills, and, depending on the rider's ability, may also involve jumping and dressage. Evening activities include supervised swimming, fishing or paddle-boating, equestrian videos and ice-cream sundaes and/or campfires with marshmallow roasts.

The cost for camp is \$250 per camper with a \$100 non-refundable deposit due with the registration form. If the camper has a horse suitable for camp, a current negative Coggin's test is required. Stabling is included for horses brought from home for camp. Campers are required to bring feed and hay for horses brought from home. Lesson horses are available on a limited basis for an additional \$50.

Every camper is required to bring an ASTM certified riding helmet, boots with a small heel, long fitted pants, sunscreen and other materials for overnight stays. Centerline has a limited number of children's helmets available for use during camp; please check in advance if your child does not have his or her own helmet.

Meals, snacks and drinks will be provided daily for campers.

Registered Nurse and other CPR/First Aid certified individuals on staff.

Sample Schedule:

8:30-9am arrival/drop-off	1:00-1:30 Groom/tack up
9:15-10:00 stable management (stall cleaning, feeding, etc)	1:30-3:00 Riding lesson—dressage basics
